Dear Mr. Steinebach:

Your construction permit application dated January 14, 2015, for the 80 hp natural gas fired emergency generator engine at Hot Stamp 3 was received on January 20, 2015. This application revises the operating permit application for this source dated November 24, 2014, which was received on November 26, 2014. A determination has been made that the construction permit application is complete.

If you have any questions concerning this correspondence, please contact John Trimmer at (615) 532-0552 or John.Trimmer@TN.gov.

Sincerely,
